

# Blackridge Primary Improvement Priorities 2025- 26

Continue to improve attendance for identified learners and develop Trauma Skilled approaches to support learners and families.

Improve attainment in literacy through enhancing school wide approaches to learning and teaching of grammar through writing.

- Review and enhance approaches to learning, teaching and assessment in numeracy & maths through:
- Further embedding Building Thinking Classrooms approaches, including Rich Task Design
- Engaging with Nrich Problem Solving Schools Charter

Embed Play the Blackridge Way through Block Play experiences across P1-7
