

Blackridge ELC Improvement Priorities 2025-26

Embed Trauma
Skilled approaches
across the setting to
further support
learner emotional
wellbeing and
engagement.

Develop family learning packs
for literacy, numeracy & HWB,
linked to Froebelian principles
and approaches, to support
and enhance ELC – Home links

Literacy project with
Education Scotland
(Learning to Read in
the Early Years) to
maximise reading for
enjoyment and
learner engagement
with reading.

Further increase
opportunities for
learners to develop
meta skills within all
learning
experiences.

Happy, Creative & Engaged
